

Passionate about exercise therapy? So are we!

About You:

As a Kinesiologist engaged in your profession, you enjoy working with colleagues and clients to deliver exceptional exercise therapy services. You are an engaging and effective communicator. You enjoy collaborating with other healthcare professionals to develop treatment programs and are confident working one-on-one with clients. You are driven to explore innovative, safe and effective service methods that optimize your clients' care experience. You embrace the challenge of providing excellent access and effective case management so that our clients can return to their maximal level of function as quickly as possible.

In addition to having your CSEP-CEP designation, you share the same values and vision as us: A drive to learn and improve. A passion to provide clients with great access to exceptional care. And because we like to have fun at work, you have a friendly, energetic, and team-oriented nature. 18 months' experience is required.

About the Role:

Working in a multi-disciplinary setting, you collaborate with physical therapists and work as part of a multidisciplinary rehabilitation team providing exercise therapy, return to work and activities of daily living coordination, goal setting, education, job site visits and team meetings with clients, ranging from acute injuries to more long-standing, complex conditions.

You will excel at this opportunity if:

- You like to challenge yourself to learn new skills, and develop professionally.
- You are an excellent communicator and value a collaborative approach to delivering treatment
- You would like the opportunity to develop your skills in comprehensive care while maintaining a connection to acute care.
- You can practice independently and are proficient at prescribing and instructing exercise programs.

About Us:

CBI Health Group is a values-based, results-oriented and collaborative company that remains focused on providing improved access and better health outcomes for patients and communities across Canada.

We recognize the importance of ongoing professional development and innovation, and as such, in addition to our extensive internal training and mentoring opportunities, staff are supported in their external educational endeavours.

Contact and submit your cover letter and resume to Dwight Templeton, Clinic Manager at dtempleton@cbi.ca to discuss becoming part of our CBI Health Centre - Laurier team.
