

## DONALD PHYSIOTHERAPY

*Our Vision is to be the leader in collaborative physiotherapy and the promotion of full health potential within our community.*

### **Be Part of An Award-Winning Team**

We are located in the beautiful neighbourhood of Stonebridge in Saskatoon. With convenient access to Circle Drive, Preston Avenue, Clarence Avenue and Highway 11, it is easily accessible from all parts of the city and surrounding areas. Stonebridge is one of the largest neighbourhoods in Saskatoon and it offers an abundance of amenities including retail stores, schools, services, and restaurants.

We have strong relationships with a number of allied health professionals and organizations. This includes sharing a building with City Centre Family Physicians and Foundation Chiropractic as well as maintaining a close association with LutherCare Village. We are fortunate to work with many great groups such as Dance Elements, River School of Irish Dance, FitBump, and Warman Ultimate Cheerleading.

Teamwork is key to our success with a client-first mentality. We were recognized for this with the 2020 SABEX award for Customer Service. Mentorship forms an integral part of our group philosophy and success with our clients. Our experienced clinical staff enjoy sharing their advanced knowledge in areas such as manual therapy, pelvic health, TMJ assessment & treatment, vestibular rehabilitation, osteoporosis management, arthritis management, sports therapy, and chronic disease management

We are looking for a Kinesiologist with a minimum of 18 months experience providing clinical therapy services. Experience working with WCB and SGI clients and secondary level programming would be considered an asset as would an interest in Osteoarthritis and Osteoporosis management. We believe strongly in injury prevention and educating the public. Above all else, we offer a fun and supportive work environment.
